RATE RECOMMENDATIONS:

In December 2015, the City Council approved a 5-year rate plan that authorized;

- The pass through increase of the Sonoma County Water Agency wholesale rate to the water usage charge (the actual 2018 pass through will average 1.6%)
- A 5% increase in water fixed charge
- A 5% increase in water fixed charge
- A 3% increase in sewer fixed and usage charge
- COMBINED these increases would result in most customers receiving a rate increase under 3%

The Board of Public Utilities (BPU) recommends no changes to the pre-authorized rate plan
