

CITY OF SANTA ROSA PROCEDURES FOR GIFTS TO THE PUBLIC ART COLLECTION

The City of Santa Rosa Public Art Program appreciates the generosity of individuals and organizations wishing to donate works of art to the Public Art Collection.

The following procedure clarifies the process of donating, considerations by the Art in Public Places Committee and Public Art Program staff, and formal acceptance of the work by the Director of the Recreation & Parks Department.

1. Persons who wish to donate artwork to the City of Santa Rosa Public Art Collection ("City") are asked to consult with the Arts Coordinator who will outline the process.
2. The prospective donor(s) shall submit a completed Artwork Donation Proposal form which will be reviewed by the Arts Coordinator and forwarded to the Art in Public Places Committee ("APPC").
3. The APPC shall review the proposal and may request to physically view the piece of art during their evaluation process.
4. The APPC shall evaluate the proposed donation using the criteria listed below and make a recommendation to Director of Recreation & Parks ("Director") to accept or not accept the artwork.
5. The Director will consider the APPC's recommendation as well as technical input from the Arts Coordinator. If accepted, the date of acceptance constitutes the date of the accession of the artwork into the City's collection.
6. A formal agreement is signed by the donor transferring ownership of the artwork to the City. The agreement shall specify that the City cannot accept a donation having conditions and that all donated artwork will become the property of the City without any obligation to the donor.
