  - ✓ Recommended by TAC on March 5
  - ✓ Corrected version recommended by TAC on April 2
  - ✓ Approved by WAC on May 7

# ANALYSIS

Continues regional partnership

1. Replaces reference to CUWCC with CalWEP (Calif. Urban Water Conservation Council name change to Calif. Water Efficiency Partnership)
2. Streamlines process to add new signatories
3. Bases internal funding commitments for local agency water efficiency projects on total potable water supplied (not just SCWA deliveries)
  - Santa Rosa \$374,400 / year (previously \$557,325)

# RECOMMENDATION

- It is recommended by the Water Department that the Board of Public Utilities recommend, by resolution, that the City Council:
  - ✓ Approve the First Amended MOU
  - ✓ Authorize the Mayor to execute the agreement
