

City of Santa Rosa Bicycle and Pedestrian Advisory Board
Working List of Future Topics of Interest/Upcoming Items

August 2018

(Italics indicate topics that have been discussed at meetings.)

Potential topics to address at future meetings:

Non-Infrastructure

- Bicycle Friendly Community designation- getting to the next level – *part of BPMP*
- Class 1 safety and usage
- Yellow/red light violations and speeding
- Educating the public about Flashing Yellow left turn and Green paint bike lanes

Infrastructure

- What are other innovative cities/countries designing?
- Crosswalk visibility/pedestrian crossings/midblock crossings – *just completed redesign of many crosswalks with TDA 3 funding*
- Redesigning bike lanes through intersections
- Cut-throughs for bikes and peds in cul-de-sacs
- Ped crossing markings where creek trails meet streets – *being addressed in BPMP update*
- Bike facilities and amenities
- Bike route signage through Roseland

Other

- NW Santa Rosa needs—Coddington and Fulton Road areas
- SE Santa Rosa needs ---South Park

Items that have been discussed, but on which we need to maintain momentum:

Non-Infrastructure

- Vision Zero/Bike and Ped Coordinator
- Long-range planning/visioning for increasing bicycling/walking mode share; facilities that promote growth in mode share; setting targets for mode share—*Items at May 2015 July 2015, and May 2016 meetings covering City plans with mode share goals, Shift Sonoma County, and Meredith Glaser presentation*
- Opportunity to implement Sunday Streets type event in Santa Rosa
- SMART train public safety

- Police—enforcement, citation of bicyclists, warnings, rules of the road—*Police Department representatives at May 2015 and November 2015 meetings*
- Street sweeping—prioritization of bike routes—*Discussion of street sweeping issues and updates at various meetings*
- Education of community members regarding bicyclists and motorists sharing the road—courtesy and safety—*Discussion at May 2015 meeting with TPW Marketing and Outreach Coordinator*

Infrastructure

- Highway 101 Overcrossing—*Ongoing staff updates; funding for design including in OBAG 2 package discussed at November 2016 meeting*
- Jennings Crossing at SMART right-of-way—*Staff updates at several meetings*
- Southeast Greenway developments—*Staff and Board updates at several meetings*

Other

- Fostering greater community awareness of BPAB's role—*Items at May 2015, July 2015, September 2015, January 2016, January 2017 meetings.*
- Roseland involvement, issues, Specific Plan—*Presentation on Draft Roseland Specific Plan at May 2016 meeting*
