We would like to take the opportunity to ensure the Santa Rosa General Plan Policies are clearly addressed in our application for 372/374 Yolanda Ave.

This project is closely aligned with the General Plan's goals, policies, and desires to be a long term vested member of the local community. The proposed use of this parcel is compatible with existing use as well as the surrounding uses , and is adequately supplied by existing infrastructure.

This project will be a state-of-the-art facility and will exceed mandatory green building requirements with major improvements to the existing building and surrounding area, including state of the art energy audits, LED lighting, and motion sensor water fixtures. It proactively facilitates employment and retention of local residents in order to sustain local economic growth. Furthermore, it will promote local spending and highlight successful, locally produced goods and services.

This will not only benefit the city's economic and business interests but actively contributes to our environmental well-being and reduces greenhouse gas emissions by limiting the energy needed to transport people, goods, and services. It is located close to multiple major corridors, and will help maintain vibrant, convenient, and attractive commercial center. We will improve infrastructure and promote an entrepreneurial image for the City of Santa Rosa by creating jobs and increasing the scope of economic activity. All of these actions combine to promote economic growth and sustainability by making this project a destination for residents, employers, and tourists.

Thank you,

To Whom It May Concern:

My name is Dan Garcia. I am a resident of the Harvest Park Neighborhood, am over 18, and have lived in this community for 2 years.

I am in favor of Sovereign becoming a part of the Harvest Park Community. Our community has stood strong through the past, and with Sovereign as a part of our future, I am confident we will grow into a better community improving our neighborhood, helping eliminate blight. Often Cannabis is prejudiced by communities not wanting activity in their backyard. Aware of these struggles Sovereign has sought to become a welcome part of our community, and for that I thank them and trust that they will seek to listen to and serve the needs of its neighbors.

As a veteran the owner of Sovereign understands the needs of Americans, and the complications we struggle with on a daily basis as citizens of this country to support ourselves. I encourage individuals like Brandy, and groups like Sovereign, to join our community because I know they are committed to improving our lives, and are concerned with the safety of our community at large.

As a member of the Harvest Park neighborhood I support Sovereign because:  
(Please circle all that apply)

- Sovereign will benefit our community
- Sovereign will make our neighborhood more beautiful, by bringing in revenue.
  - Sovereign will improve the safety and security of our neighborhood.
  - Sovereign will help decrease environmental pollution

Our community has stood strong through the past, and with Sovereign as a part of our future, I am confident we will grow into a better community improving our neighborhood, helping eliminate blight. Often Cannabis is prejudiced by communities not wanting activity in their backyard. Aware of these struggles Sovereign has sought to become a welcome part of our community, and for that I thank them and trust that they will seek to listen to and serve the needs of its neighbors.

As a veteran the owner of Sovereign understands the needs of Americans, and the complications we struggle with on a daily basis as citizens of this country to support ourselves. I encourage individuals like Brandy, and groups like Sovereign, to join our community because I know they are committed to improving our lives, and are concerned with the safety of our community at large.

My name is Justin West. I am a resident of the Harvest Park Neighborhood, am over 18, and have lived in this community for 2 years.

I am in favor of Sovereign becoming a neighbor of the Harvest Park Community. Our community has stood strong through the past, and with Sovereign as a part of our future, I am confident we will grow into a better community improving our neighborhood, helping eliminate blight. Often Cannabis is prejudiced by communities not wanting activity in their backyard. Aware of these struggles Sovereign has sought to become a welcome part of our community, and for that I thank them and trust that they will seek to listen to and serve the needs of its neighbors.

As a veteran the owner of Sovereign understands the needs of Americans, and the complications we struggle with on a daily basis as citizens of this country to support ourselves. I encourage individuals like Brandy, and groups like Sovereign, to join our community because I know they are committed to improving our lives, and are concerned with the safety of our community at large.

As a member of the Harvest Park and surrounding neighborhood I support Sovereign because:

Our community has stood strong through the past, and with Sovereign as a part of our future, I am confident we will grow into a better community improving our neighborhood, helping eliminate blight. Often Cannabis is prejudiced by communities not wanting activity in their backyard. Aware of these struggles Sovereign has sought to become a welcome part of our community, and for that I thank them and trust that they will seek to listen to and serve the needs of its neighbors.

As a veteran the owner of Sovereign understands the needs of Americans, and the complications we struggle with on a daily basis as citizens of this country to support ourselves. I encourage individuals like Brandy, and groups like Sovereign, to join our community because I know they are committed to improving our lives, and are concerned with the safety of our community at large.

Often Cannabis is prejudiced by communities not wanting activity in their backyard. Aware of these struggles Sovereign has sought to become a welcome part of our community, and for that I thank them and trust that they will seek to listen to and serve the needs of its neighbors.

As a veteran the owner of Sovereign understands the needs of Americans, and the complications we struggle with on a daily basis as citizens of this country to support ourselves. I encourage individuals like Brandy, and groups like Sovereign, to join our community because I know they are committed to improving our lives, and are concerned with the safety of our community at large.
