CALL FOR ARTISTS
Fire Response: Round Two

APPLICATION DEADLINE: JUNE 30, 2019

Applications must be received no later than 5:00pm on the due date. Faxed applications will not be accepted.

ELIGIBILITY

This public art opportunity is open to artists, or artist teams residing in California. Applicants may not submit more than one application, and/or may not be listed as lead artist for more than one application. Artists working in a variety of permanent and temporary media are encouraged to apply. Artists who received funding for a project in *Fire Response: Round One* are NOT eligible for funding in Round Two.

DESCRIPTION OF PROJECT OPPORTUNITY: FIRE RESPONSE

This opportunity is for artists, or artist teams to create and install temporary art installations addressing the 2017 Northern California Wildfires. In proximity to the two-year anniversary of the wildfires, this funding is to support artists to produce and present community-based projects in response to the fires that activate public spaces. Projects must be temporary installations that are in public places or within public view for as little as one day or up to 3 months. Artists who received funding for a project in Round One are NOT eligible for funding in Round Two.

PROJECT LOCATIONS

Projects must be located in public places or within public view within the City of Santa Rosa. Site-specific installations are encouraged, where the artist takes the location into account while planning and creating the artwork. Possible sites include parks, public plazas or interior public spaces. It is the applicant's responsibility to ask for advice and pursue approval processes. Final placement and installation is subject to property owner and/or City approval.

PROJECT BUDGET

Applicants may request up to \$4,000. This should be inclusive of artist fees, and all expenses related to design development, including engineering, fabrication, transportation and installation of the artwork, insurance, and all other project related expenses.

ESTIMATED COMPETITION TIMELINE (subject to change)

June 30, 2019	Application deadline
August 5	Selection panel recommendation to Art in Public Places Committee
August 6	Notification of selected artists
Sept-Dec 2019	Installation of artwork

ARTIST SELECTION PROCESS

Applications will be prescreened by the Arts Coordinator and then presented to the Selection Panel. The Selection Panel will evaluate proposals based on the project criteria and identify projects to receive funding. The total number of projects selected will depend on funding requests. The Art in Public Places Committee will approve the final selection of projects/artists recommended by the Selection Panel. The Art in Public Places Committee also reserves the right to decline any or all applications, or artist(s) recommended by the selection panel, and to reissue the RFP for additional artist candidates.

ARTIST SELECTION CONSIDERATIONS

- Artistic excellence and originality as evidenced by representations of past work and quality and creativity of proposal for this project.
- Potential impact on community.
- Experience with projects of similar scope and scale, or comparable professional experience to handle the requirements of working in the public sector.
- Feasibility of proposed project, including timeline and budget.

SCOPE OF WORK

The scope of work for this project will include the following:

- Finalizing proposal concepts to accurately convey the work's artistic intent, design, location, colors, materials, fabrication processes, costs and production time. Artists will be expected to provide scaled renderings, models and other visual material to adequately illustrate how the artwork will appear when installed at the site.
- Preparing, or subcontract for engineering documents and specifications for the artwork (if required).
- Fabricating, installing and documenting the artwork at the site.
- Participate in planning and coordinating any related community events organized by the City including the artwork installation, dedication/opening reception.
