

**COPYRIGHT MATERIALS RELEASE** To the extent that your application submittal packet includes plans or drawings prepared by a licensed, registered or certified professional, as defined pursuant to the California Health and Safety Code Section 19851 or Business and Professions Code Section 5536.25, such as a licensed engineer, architect or other design professional, the City must first obtain the signature release and permission of said professional prior to publication or reproduction of any such plans or drawings. Such drawings and plans may also be protected by copyright laws. The City of Santa Rosa hereby requests permission to reproduce and publish plans and drawings submitted with your application packet for purposes of more effectively and efficiently facilitating the entitlement review process, including making plans and drawings available on the City's website for public review and providing electronic reproductions to the City's review boards. The purpose of this request is limited solely to the purpose of facilitating the timely review of this application, and the plans and drawings will not be utilized by the City for other purposes. To assist the City in this process, please provide below the signatures of all of those who have prepared plans and drawings to be submitted with this application.
