Dear Ms. Meads.

Thank you. My question about the recording remains unanswered. The community members who spoke out unanimously against the MidPen Pig Pen Bar will not be Zooming you, the CSR or anyone. This is a disenfranchising technique, plain and simple! That is why I asked for THE RECORDING OF THE UNANIMOUS IN PERSON COMMUNITY OPPOSITION TO THE PIG PEN BAR. Please indicate the easiest way to transmit this to me, and that it will be played for the Board.

Thanks, Bob
