

RESOLUTION NO. CUP20-016

RESOLUTION OF THE ZONING ADMINISTRATOR OF THE CITY OF SANTA ROSA APPROVING A CONDITIONAL USE PERMIT TO ALLOW GIO Y LOS MAGOS A MOBILE FOOD VENDOR TO OPERATE FOR THE PROPERTY LOCATED AT 440 DUTTON AVENURE, SANTA ROSA, APN: 125-121-027

The Santa Rosa Zoning Administrator has completed the review of your application. Please be advised that your Minor Conditional Use Permit to allow for a mobile food vendor to operate at the coner of Sebastopol Road and Dutton Avenuer at the property located on 440 Sebastopol Avenue, between hours of 5:00 p.m. to 11:00 p.m., using the restroom facility located on the same site has been granted based on your project description and official approved exhibit dated October 28, 2020. The Santa Rosa Zoning Administrator has based this action on the following findings:

- The proposed use is allowed within the applicable zoning district and complies with all other applicable provisions of this Zoning Code and the City Code. The matter has been properly noticed as required by Zoning Code Section 20-52.050.E.2.a, and no request for a public hearing has been received;
- The proposed use is consistent with the General Plan and any applicable specific plan in that the property is located within the General Commercial-Station Area (CG-SA) zoning district that have street frontage on Sebastopol Road, between Stony Point Road and Olive Street and designated Retail and Business Service by the General Plan, which allows mobile food vendor uses through Minor Conditional Use permit per Section 20-42.210 form zoning code;
- The design, location, size and operating characteristics of the proposed mobile food vendor would be compatible with the existing and future land uses in the vicinity in that the the location is on the private parking lot, and the size and location of the proposed use does not inhibit the surrounding businesses;
- The site is physically suited for the type, density, and intensity of the proposed mobile food vendor, including access, utilities, and the absence of physical constraints in that the project is located on a private property and does not require a Building Permit and has an agreement with the tenant on the same lot to provide use of the restroom facility during all hours of operation;
- Granting the permit would not constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zoning district in which the property is located in that the mobile food will be parked on the corner of the parking lot and it will not impede or block traffic circulation on the site and there are enough parking spaces provided on the site for the exiting use;
- The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA) and qualifies for a Class 4 exemption under

Section 15304 in that the mobile food vendor is a minor temporary use of land having negligible or no permanent effects on the environment.

This entitlement would not be granted but for the applicability and validity of each and every one of the below conditions and that if any one or more of the below conditions is invalid, this entitlement would not have been granted without requiring other valid conditions for achieving the purposes and intents of such approval. The approval of the project is contingent upon compliance with all the conditions listed below. Use shall not commence until all conditions of approval have been complied with. Additional permits and fees are/may be required. **It is the responsibility of the applicant to pursue and demonstrate compliance.**
