

BICYCLE & PEDESTRIAN MASTER PLAN UPDATE 2018

ANNUAL REPORT 2020

VISION

Santa Rosa is a community where walking and bicycling are comfortable, convenient, and common for people of all ages and abilities.

AT A GLANCE

- Adopted March 2019
- Establishes vision and strategies toward improving walking and bicycling in Santa Rosa
- Primary focus is on network improvements (gaps in bicycle/pedestrian infrastructure)
- Also recommends education, encouragement, enforcement, and evaluation programs
