Hi there,

My name is Alexis and I live at 2484 College Park Circle, Santa Rosa.

My backyard looks on to the intersection of W. College and Fulton, and from my home office window I can very clearly see (and hear) this preschool that is currently temporarily located at the former church site.

I have to say how grateful we are to have such a great children's facility located in our backyard. I am so excited to write this email. As a former preschool teacher and member of our community I think that having this be a permanent Child Day Care Facility is a wonderful addition to our community and a great use of the existing space.

Thank you very much,

Alexis Distad
