Samone Chrisman
Stores Specialist - City of Santa Rosa
4300 Llano Road
Santa Rosa CA 95407

Dear Samone:

- Cummins is providing CUMPAS, the On-Line Cummins parts ordering tool to the City of Santa Rosa.
- Cummins will sell the City of Santa Rosa Cummins on-highway parts at Cummins Published Transit Dealer price. Which is accessible through CUMPAS, the afore mentioned on-line ordering system. Transit Dealer price averages approx. 24% discount from Fleet price. Individual parts pricing may vary due to how specific parts are categorized. From time to time Cummins implements a "Pricing Action" parts increase/decrease. Regardless, until further notice, the City of Santa Rosa will receive Cummins Transit Dealer Price.
- All original orders and special orders are charged freight. Backorders from an original "stock" order are prepaid, as the parts were no available for shipment on the original Purchase Order.
- As for Cummins Technician time, the hourly rate of \$202.00 per technician will apply for standard time. Overtime rates are 1.5 the standard rate. Travel time expense is \$2.50 per mile. Meaning, the approximate travel expense from the Cummins San Leandro location to 4300 Llano Road in Santa Rosa is \$167.00 each way.

Please let me know of any questions and/or concerns; thank you for doing business with Cummins.

Best regards,

Humberto Rosas
Account Executive – On Highway Business
