October 18, 2021
106,034 acre-feet

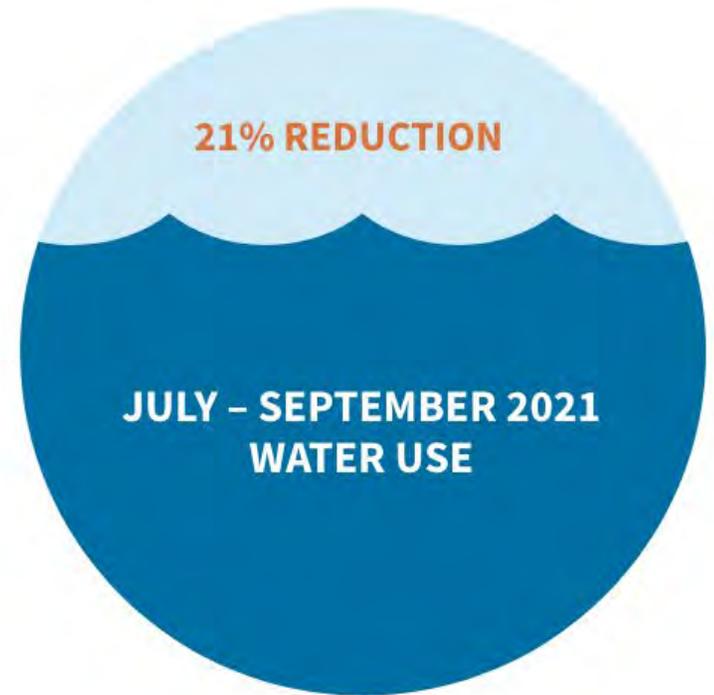

Cumulative Sonoma Water Russian River Diversions (Million Gallons)

2020 Diversions 2021 Diversions

Santa Rosa Cumulative Drought Reductions

SANTA ROSA DROUGHT RESPONSE

- Santa Rosa Remains in line with our cumulative allocations from Sonoma Water
- Utilized 95% of allocations from Sonoma Water during this timeframe

Regional Fall & Winter Campaign

October

- In the fall and winter months, when the irrigation season ends, the only way to achieve water savings is indoors
- Prioritizing protecting trees and shrubs during the drought
- Promoting rainwater capture and greywater systems

Winter

- Save Water indoors
- Fix Leaks

Community Events

- Drought Drop-by October 9th
 - 600+ Drought Kits delivered in Santa Rosa
- Halloween at Howarth Park – October 23
- Roseland Community Building Initiative Halloween – October 29
- Santa Rosa Farmers Markets
