7. SCHEDULED ITEMS

7.1 EMERGENCY ALERTS & NOTIFICATIONS PRESENTATION

Adriane Mertens, Chief Communications & Intergovernmental Relations Officer, provided the CAB information on emergency alerts and notifications systems used by the City of Santa Rosa during an emergency. Ms. Mertens reviewed the Emergency Alert System (EAS), Wireless Emergency Alerts (WEAs), SoCo Alert, Nixle, and local news stations. Particular emphasis was given to the differences between SoCo Alert and Nixle:

SoCo Alert: an emergency notification service providing Sonoma County first responders the ability to alert residents about imminent threats to life and property in specific impacted areas. This service allows Sonoma County first responders to alert residents by landline or mobile phone, text message and email. Residents can register all addresses they'd like to receive alerts for, including home, businesses, schools and other frequented locations. Residents can register for SoCo Alert online at SoCoAlert.com or by calling (866)

939-0911.

Nixle: a community information service managed by the Santa Rosa Police and Fire departments to send email and/or text message notifications related to public safety. Nixle will not call you. There are three kind of Nixle notifications: alert, advisory and community. To register for Nixle and to customize your settings, go to Nixle.com or text your zipcode to 888-777.

Public Comment: None.

7.2 SUBCOMMITTEE REPORT OUTS

Each Subcommittee provided a brief report out on progress made since the last CAB meeting:

Operations - did not meet in July.

Empowerment - neighborhood groups list is not yet ready. Member Querubin mentioned that she spoke with Mayor Schwedhelm and Vice Mayor Rogers about what the subcommittee is working on and they would both like to see the list when it is completed. The subcommittee used the last meeting to talk about the list and prioritized groups on the list. The subcommittee also discussed creating talking points to use when attending neighborhood group meetings and a form to fill out that will be helpful to use when reporting out information at CAB meetings. The subcommittee also continues to work on exploring the citizen leadership academy objective.

Expertise - still in need of members. Members Burgin and Rooks volunteered to join the subcommittee. The subcommittee continued to work on the contents of the toolkit, using the list brainstormed by the CAB in June. In addition, the subcommittee also discussed mentor responsibilities. The subcommittee asked the CAB to use meeting time to complete their biographies if they had not already done so.

Public Comment: None.
