### 5.2 REPORT - CONSIDERATION OF A REUSABLE AND COMPOSTABLE FOOD WARE ORDINANCE

BACKGROUND: Zero Waste Sonoma has developed a model food service ware ordinance for member jurisdictions to consider for adoption. The Ordinance is designed to reduce the use and disposal of

single-use food ware that contribute to street litter, marine pollution, harm to wildlife, greenhouse gas emissions and waste sent to landfills.

**RECOMMENDATION:** It is recommended by the Transportation and Public Works Department that Climate Action Subcommittee consider a Reusable and Compostable Food Ware Ordinance.
