File #: 16-1127 **Version:** 1 **Name:** Approval of Reimbursement Agreement - Jennings
Type: CC- Report **Status:** Agenda Ready
File created: 10/4/2016 **In control:** City Council
On agenda: 11/29/2016 **Final action:**
Title: REPORT - APPROVAL OF A REIMBURSEMENT AGREEMENT FOR SMART RAIL CROSSING AT JENNINGS AVENUE

BACKGROUND: The proposed action will authorize the City Manager to approve and execute an agreement that allows SMART to construct an at-grade pedestrian and bicycle rail crossing at Jennings Avenue. SMART provided a preliminary cost estimate for this work, which included a rough order of magnitude for the system integration scope. The SMART agreement will follow, allowing for an expedited process to complete construction prior to commuter rail service.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by motion, authorize the City Manager to approve and execute a reimbursement agreement not to exceed the amount of \$1,825,000 with Sonoma Marin Area Rail Transit (SMART), subject to approval as to form by the City Attorney, to perform work within their, and the Sonoma County Water Agency's right-of-way for the Jennings Avenue at-grade pedestrian and bicycle rail crossing.
