Title: REPORT - EXTENSION OF PROCLAMATION OF LOCAL HOMELESS EMERGENCY

BACKGROUND: On August 9, 2016, pursuant to the authority set forth in California Government Code Sections 8630 thru 8634, Council, by Resolution No. 28839, formally proclaimed a local homeless emergency within Santa Rosa. Section 8630 requires that the Council review the need for continuing the local emergency at least every 30 days until such local emergency is terminated. Council has approved an extension of the proclamation of local homeless emergency on a monthly basis since the original proclamation in August. In light of the continuing conditions of homelessness within the city, staff is recommending that the Council maintain the proclamation in full force and effect at this time. If approved, this will be the seventh extension. Staff will provide an update on the efforts of First United Methodist Church to establish Safe Camping under CHAP, funding for additional rapid rehousing efforts through Catholic Charities Homeless Outreach Services Team (HOST), and expanding additional cold, wet weather shelter beds. In addition, members of the Santa Rosa Homeless Collective can provide an update of their efforts and upcoming community meeting.

RECOMMENDATION: It is recommended by the Housing and Community Services Department that the Council, by resolution, approve an extension of Resolution No. 28839 which formally proclaimed a local homeless emergency within Santa Rosa.
