Title: REPORT - ADOPTION OF EMERGENCY OPERATIONS PLAN AND CONTINUITY OF OPERATIONS PLAN

BACKGROUND: The Emergency Operations Plan (EOP) outlines how the City of Santa Rosa-its government, stakeholder agencies, community-based organizations, business community and residents-coordinate their response to major emergencies and disasters. This EOP is the ultimate authority for coordinating response and recovery operations in the City of Santa Rosa. Its primary intent is to govern such operations following incidents that require the involvement of multiple City departments, external organizations/jurisdictions, community stakeholders, other levels of government, or mutual aid.

The purpose of a Continuity of Operations Plan (COOP) is to provide the framework for City departments and divisions to restore mission essential functions and City operations if an emergency disrupts City services.

RECOMMENDATION: It is recommended by the Fire Department that the Council, by resolution, adopt the City of Santa Rosa Emergency Operations Plan - Part I (Base Plan) and City of Santa Rosa Continuity of Operations Plan.
