Title:	REPORT - CONTRACT EXTENSION WITH MV TRANSPORTATION FOR ADA PARATRANSIT SERVICES AND OAKMONT DEVIATED FIXED-ROUTE SERVICE				

BACKGROUND: In 2015, the City Council awarded a three-year contract with two one-year extension options to MV Transportation, Inc., for delivery of citywide paratransit services mandated by the Americans with Disabilities Act, and a deviated fixed-route service in Oakmont, in an amount not to exceed \$3,728,046. Staff seeks Council approval to extend the contract through June 30, 2020 with renegotiated costs to reflect an increase in employee wages and benefits intended to address ongoing challenges with paratransit staff recruitment and retention.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by resolution, approve the Second Amendment to Professional Services Agreement with MV Transportation, Inc. to 1) extend the contract for delivery of ADA paratransit services and a deviated fixed-route service through June 30, 2020 using two one-year options to extend (Year Four and Year Five), 2) increase the compensation payable under the Agreement by \$2,718,051 to an amount not to exceed \$6,606,151, 3) suspend a specific liquidated damages provision during Year Four, 4) provide for sharing the cost of MV Transportation's increased contribution to employee healthcare premiums over a specific threshold of employee participation; and 5) authorize the Director of Public Works to execute the amendment.
