Title: PUBLIC HEARING - EXTENSION AND MODIFICATIONS OF CITY CODE CHAPTER 20-16 RESILIENT CITY CODE DEVELOPMENT MEASURES

BACKGROUND: This ordinance extends and modifies the Resilient City Development Measures to address continued fire recovery with additional measures addressing COVID-19 pandemic recovery. Specifically, this project expands opportunities for mobile food vending, expands opportunities for large family daycares and child care centers, extends time limits for temporary uses, consolidates and streamlines review processes for certain land use entitlements, provides flexibility for nonconforming uses, and includes additional minor amendments for clarifications and technical corrections.

RECOMMENDATION: It is recommended by the Planning Commission and the Planning and Economic Development Department that the Council introduce an ordinance to amend Title 20 of the Santa Rosa City Code to extend and modify Chapter 20-16, Resilient City Development Measures, to address housing needs and economic development within the City following community emergency events including fires and the COVID-19 pandemic.
