On agenda: 3/28/2017 **Final action:** 3/28/2017
Title: SOUTHEAST GREENWAY PREFERRED ALTERNATIVE

Since 2011, Santa Rosa City Council goals have included acknowledgement and support of the Southeast Greenway planning efforts. In October 2015, the Council initiated a General Plan Amendment and Rezoning, and preparation of an Environmental Impact Report (EIR) for 57 acres of land owned by Caltrans originally planned for an extension of Highway 12. On November 1, 2016, the Planning Commission and Council held a joint session to consider and provide feedback regarding draft guiding principles and three land use and circulation alternatives. The purpose of this session is to present the preferred alternative and solicit feedback from the Planning Commission and City Council to develop the General Plan Amendment, Rezoning and EIR.

Sponsors: Planning and Economic Development
