**Title:** PUBLIC HEARING - RESOLUTION AUTHORIZING A GRANT APPLICATION FOR FTA SECTION 5310 FUNDS FOR PURCHASE OF REPLACEMENT ADA PARATRANSIT VEHICLES

**BACKGROUND:** This FTA Section 5310 Grant Application for Americans With Disabilities Act (ADA) Accessible Vehicles is for the acquisition of replacement paratransit vehicles that have reached their useful life expectancy. The California Department of Transportation (Caltrans) requires that public agencies hold a public hearing to allow local non-profits to comment on both their ability to provide ADA complementary paratransit service and the City's interest in submitting a Section 5310 - Enhanced Mobility of Seniors and Individuals with Disabilities Program grant application.

**RECOMMENDATION:** It is recommended by the Transportation and Public Works Department that the Council: 1) hold a public hearing to receive public comment and to determine whether any private non-profit is readily available to provide paratransit services within the City; and 2) by resolution, authorize the City Manager or designee to execute and file a grant application with the California Department of Transportation under Federal Transit Act Section 5310 - Enhanced Mobility of Seniors and Individuals with Disabilities Program to purchase replacement ADA Paratransit cutaway vehicles.
