File created: 4/13/2016 **In control:** City Council
On agenda: 5/3/2016 **Final action:**
Title: RAILROAD SQUARE - DOWNTOWN SHUTTLE

The City Council directed staff to develop plans for a circulator shuttle that would link Railroad Square, including the Santa Rosa Downtown SMART Station, with Downtown and Courthouse Square, operating on a 15 minute frequency. Additionally, with SMART service scheduled to start in December this year and with the limited parking around the Downtown Santa Rosa SMART station, staff will also highlight options for using one of the City's downtown parking garages for SMART parking.
