Title: REPORT - ROSELAND AREA PROJECTS - STEERING COMMITTEE MEMBER LIST

BACKGROUND: On January 27, 2015 the Council accepted the Community Engagement Strategy for the Roseland Area/Sebastopol Road Specific Plan and Roseland Area Annexation projects. Since that time, City staff and the project consultant have developed an initial list of Steering Committee members who will lead the community's participation in both projects. Additional members will be added as needed throughout the process. Council Policy 000-06 outlines specific requirements for appointments to City committees, however, the strict application is not appropriate for the development of this unique committee.

RECOMMENDATION: It is recommended by the Community Development Department that the Council, by motion, waive Council Policy 000-06 regarding appointments to Boards / Commissions / Committees and confirm the initial Steering Committee member list for the Roseland Area/Sebastopol Road Specific Plan and Roseland Area Annexation projects, allowing for the addition of new members as needed throughout the process.
