Title: PUBLIC HEARING - PETITION TO EXPAND THE DOWNTOWN RESIDENTIAL PERMIT PARKING ZONE TO INCLUDE THE 300 BLOCK OF LINCOLN STREET SITUATED BETWEEN WASHINGTON STREET AND MORGAN STREET

BACKGROUND: Santa Rosa City Code 11-44.050 establishes that neighborhoods impacted by non-resident parking may submit a petition to the City Council to have their area added to the Residential Permit Parking Program ("Program"). Residents of the 300 block of Lincoln Street have submitted a petition to be included in the Program. The Program was established to provide on-street parking relief in the form of time limited parking in neighborhoods being impacted by a high volume of non-resident parkers who are attracted to that area, such as Santa Rosa Junior College, the Fairgrounds, Memorial Hospital, and the periphery of downtown Santa Rosa. Residential units within the designated permit area are eligible for permits which exempt them from the posted on-street time limits.

RECOMMENDATION: It is recommended by the Finance Department that the Council, by resolution, approve the petition to expand the Downtown Residential Permit Parking Zone to include the 300 block of Lincoln Street between Washington Street and Morgan Street.
