<b>Title:</b>	REPORT - MEASURE O (2004) CYCLE X CHOICE GRANT PROGRAM FUNDING RECOMMENDATIONS				

**BACKGROUND:** The Measure O Transaction and Use Tax passed by voters in 2004 allocates grant funding to organizations for youth and parenting programs which focus on gang and anti-violence education, prevention and intervention, community safety, and a comprehensive array of social services in high need neighborhoods. On July 23, 2019 the City of Santa Rosa released a Request for Proposals for the Measure O Cycle X CHOICE Grant Program with \$840,000 in available funding per year of the two-year cycle from January 1, 2020 - December 31, 2021. Staff will present the funding recommendations from the Grant Review Team.

**RECOMMENDATION:** It is recommended by the Community Programs & Engagement Department that the Council, by resolution: 1) adopt the funding recommendations of the Grant Review Team for the Measure O (2004) CHOICE Cycle X Grant Program for January 1, 2020 - December 31, 2021 and direct the City Manager or designee to enter into funding agreements with approved providers; and 2) authorize the City Manager or designee to approve and execute the funding agreements and amendments with CHOICE Cycle X funded agencies, subject to approval as to form by the City Attorney.
