Title: APPC Activation Discussion
The APPC is integral to the implementation of the goals and strategies outlined in the Public Art Program Strategic Plan FY 21-24. To “strategically activate” the APPC (V.B.1.), the plan recommends the formation of ad hoc taskforces to enable an iterative process in developing and defining the roles, responsibilities, and expectations of APPC members and the committee as a whole. Staff will present an outline for discussion.
