**Title:** PUBLIC HEARING - JOURNEY'S END MOBILE HOME RELOCATION IMPACT REPORT - PRJ19-040

**BACKGROUND:** Beginning on the evening of October 8, 2017, and continuing for days thereafter, a series of wildfire events known as the Tubbs Fire damaged or destroyed thousands of residential and commercial structures within the City of Santa Rosa. On October 1, 2019, the City Council, by urgency ordinance, amended City Code Section 20-28.100, the Resilient City (-RC) Combining District, to facilitate the recovery process for mobile home park sites severely impacted by the Fires.

Through this policy, the Journey's End Mobile Home Park owner requests Council approval of the proposed Mobile Home Relocation Impact Report. Pursuant to State Government Code 65863.7 and Santa Rosa City Code 20-28.100.J, the report discusses the impact of the closure upon the prior residents of the Park and the availability of adequate replacement housing in nearby mobile home parks. It also proposes mitigation measures to provide assistance to those households whose mobile homes were destroyed, defines who is eligible for assistance, and when assistance will be provided.

**RECOMMENDATION:** It is recommended by the Planning and Economic Development Department that the Council, by resolution, approve the Journey's End Mobile Home Park Relocation Impact Report prepared in accordance with Santa Rosa City Code 20-28.100.J (Resilient City Mobile Home Park Conversions).
