Title: REPORT - APPROVAL OF GENERAL SERVICES AGREEMENT NUMBER F002035 - FOR CITYWIDE LANDSCAPE SERVICES

BACKGROUND: For over ten years the city has contracted landscape maintenance services for parks, civic sites and roadway landscaping to supplement its own small crew of park maintenance staff. The current contract, through an extension expires on September 30, 2019. During the final year of the current contract only organic weed control methods were used at the direction of Council. Based upon the Council study session on September 24, 2019, staff recommend a new landscape contract that only includes mowing services for irrigated turf sites. City maintenance crews will augment the remaining maintenance services while community feedback regarding landscape maintenance success is solicited.

RECOMMENDATION: It is recommended by the Transportation and Public Works and Finance Departments that the Council, by resolution, approve award of a General Services Agreement subject to final approval to form by the City Attorney's office to Signature Coast Holdings, LLC, dba Coast Landscape Management, Napa, CA for citywide landscape services in the amount of \$1,078,056 per year for a total three year contract of \$3,234,168.
