Title: SHORT RANGE TRANSIT PLAN (SRTP) 2022 UPDATE

Transit Division staff will provide an overview of the Short Range Transit Plan (SRTP) process and seek Council's initial feedback on the SRTP update that will be completed over the next few months. The Metropolitan Transportation Commission (MTC) has changed the process from what it has required for past SRTPs in response to the effects of the COVID-19 pandemic on the Bay Area transit providers. CityBus will be following the process MTC has outlined. In addition, staff will engage in service planning, financial planning, and public involvement beyond MTC's requirements to provide more effective roadmap for CityBus service and further enhance coordination with the other transit providers in Sonoma County.
