Title:	ROUND BARN GENERAL PLAN AMENDMENT AND REZONING AND MITIGATED NEGATIVE DECLARATION - PLANNING PROJECT - 0 ROUND BARN BLVD - PRJ17-004				

BACKGROUND: The project proposes a General Plan Amendment to change the existing land use designation from Business Park to Medium Low Density Residential and Open Space and a Rezoning from PD72-001 (Planned Development) to R-1-6 (Single-Family Residential) and OSC (Open Space - Conservation) for the 40.18-acre property located at 0 Round Barn Boulevard. Although no formal development applications have been received to date, the General Plan Amendment and Rezone would allow for future residential development on a portion of the property and the preservation of riparian, woodland areas and steeply sloped areas of the property in open space.
