**Name:** Community Advisory Board

**Type:** Boards, Commissions & Committees

**Description:** The Community Advisory Board (CAB) is in a very unique place within the City structure. The job of the CAB is to represent views and ideas from the broader community on issues of interest to the City Council. The CAB and the City Council jointly decide on the topics on which they will seek input. The topics have a broad community interest, not just a narrow, neighborhood-based focus.
