Title:	PUBLIC HEARING - FY 2016-25 SHORT RANGE TRANSIT PLAN AND POSSIBLE ADOPTION (This item was continued from the September 27, 2016 Regular Meeting)				

BACKGROUND: The Short Range Transit Plan serves as a guide for investments in Santa Rosa's public transportation system over a ten-year period, and includes measures to promote long-term financial stability as well as improved performance. All transit operators receiving federal funding through the Metropolitan Transportation Commission (MTC) are required to complete a Short Range Transit Plan (SRTP) every four years.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by resolution, adopt the FY 2016-25 Short Range Transit Plan which incorporates the Reimaging Plan for CityBus, updates the 10-year financial plan and updates the CityBus and Santa Rosa Paratransit goals, objectives, performance measures and standards.
