Title: REPORT - ONE BAY AREA GRANT 2 (OBAG 2) PROPOSED PROJECTS

BACKGROUND: The Sonoma County Transportation Authority (SCTA) is expected to release a call for projects for the One Bay Area Grant 2 (OBAG 2) Program on November 14, 2016. The City anticipates submitting applications for pavement preservation and bicycle and pedestrian projects. This item supports three of the City Council goals: Goal #2B.1 - develop funding plan for long term unfunded liabilities, including labor and infrastructure, to achieve fiscal sustainability; Goal #3.1 - improve transportation network to reduce vehicle miles traveled and promote multi-modal transportation; and Goal #6.5 - continue design and environmental review to study possible implementation of bicycle and pedestrian bridge at Highway 101 crossing near Jennings Avenue to the Santa Rosa Junior College (SRJC).

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by motion, authorize the Director of Transportation and Public Works to submit grant applications for the following: 1) pavement rehabilitation project; 2) Highway 101 bicycle and pedestrian bridge design phase; and 3) bike and pedestrian gap closures citywide to the Sonoma County Transportation Authority (SCTA) for consideration in the One Bay Area Grant 2 (OBAG 2) program.
