Title: REPORT - QUIET ZONES - NOTICE OF ESTABLISHMENT

BACKGROUND: The Transportation and Public Works Department will provide an update on the status of the Quiet Zone process for Santa Rosa. Staff will recommend submitting a Notice of Establishment to the Federal Railroad Authority, authorizing the City Manager to coordinate with the County of Sonoma and SMART on the implementation date of the Quiet Zone in Santa Rosa from Bellevue Avenue to San Miguel Road. This does not prohibit trains from using their horns in the event of emergencies or in the exercise of discretion by the train operator as deemed necessary.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by resolution, authorize the City Manager to file a Notice of Establishment with the Federal Railroad Administration; the railroads that operate within the City of Santa Rosa; and with the State agencies responsible for highway-rail grade crossing safety establishing a 24-hour Quiet Zone through the City of Santa Rosa, from Bellevue Avenue to San Miguel Road, including all grade crossings between these limits.
