Legislation Details

File #: 17-0875 **Version:** 1 **Name:** Adoption of Mitigated Negative Declaration

Type: CC- Report **Status:** Agenda Ready

File created: 9/14/2017 **In control:** City Council

On agenda: 10/10/2017 **Final action:**

Title: REPORT - ADOPTION OF MITIGATED NEGATIVE DECLARATION AND MITIGATION AND MONITORING PROGRAM; APPROVAL OF THE FULTON ROAD WIDENING IMPROVEMENT PROJECT BETWEEN GUERNEVILLE ROAD AND PINER ROAD

BACKGROUND: A proposed Mitigated Negative Declaration (MND) was issued for public notice and review for 30 days, beginning on June 23, 2017 and ending in July 24, 2017. Comments from the public notice and review have been addressed, but no substantial revisions to the IS/MND have been identified.

The City must adopt the MND for the Fulton Road Widening Improvement Project between Guerneville Road and Piner Road, approve the Project, and adopt a Mitigation Monitoring Program (MMP) for the Project in order to proceed with the next steps in implementing the Project.

Upon adoption of the MND and approval of the Project by the City Council, a Notice of Determination (NOD) will be filed with the Sonoma County Clerk's Office and the State Clearinghouse, completing the environmental review process.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that Council, by resolution, 1) adopt the Mitigated Negative Declaration (MND) for the Fulton Road Widening Improvement Project between Guerneville Road and Piner Road; 2) approve the Project; and 3) adopt a Mitigation Monitoring Program (MMP) for the Project.
