<b>Title:</b>	PUBLIC HEARING - SANTA ROSA FIRE STATION GENERAL PLAN AMENDMENT				

**BACKGROUND:** The Santa Rosa Fire Department's most recent coverage analysis identified revised future locations for Fire Stations #8 and #9 to better serve the community. The General Plan's Public Services and Facilities Element needs to be updated to reflect the revised station location plan. Other changes include updating Figure 6-3 of the General Plan to reflect the temporary location Fire Station #5, which was destroyed by the October 2017 fires, and the future permanent location of the station in the Fountaingrove area. Also, to better reflect the City's fire facilities, the Rincon Valley Fire Protection District facilities identified on Figure 6-3 would be removed because they are not staffed or maintained by the Santa Rosa Fire Department. On April 12, 2018, the Planning Commission voted unanimously to recommend that the Council approve the requested General Plan Amendment.

**RECOMMENDATION:** It is recommended by the Planning Commission and the Planning and Economic Development Department that the Council, by resolution, amend the text and figures of the Santa Rosa General Plan, Public Services and Facilities Element, to reflect the Fire Department's updated long-term station location plan, including the location of Fire Stations #5, #8 and #9, and the elimination of two Rincon Valley Fire Protection District stations identified on Figure 6-3 of the General Plan.

**Sponsors:** Planning and Economic Development

**Indexes:** Exempt Project
