<b>Title:</b>	REPORT - FIRST AMENDED MEMORANDUM OF UNDERSTANDING REGARDING SONOMA-MARIN SAVING WATER PARTNERSHIP				
	<p>BACKGROUND: The Sonoma-Marín Saving Water Partnership provides a collaborative structure to maximize cost-effective water conservation by the signatories to the Memorandum of Understanding in Sonoma and Marin Counties and recognizes the regional commitment to reduce potable water demands to meet or exceed the state targets. Because the original Memorandum of Understanding expires in June 2018, the First Amended Memorandum of Understanding Regarding Sonoma-Marín Saving Water Partnership (First Amended MOU) has been developed to cover the next 10-year period. The First Amended MOU continues the regional water conservation partnership and will allow Santa Rosa to take advantage of appropriate cost effective regional programs as a part of the City's existing comprehensive water conservation program.</p> <p>RECOMMENDATION: It is recommended by the Water Department that the Board, by motion, recommend that Council approve the First Amended Memorandum of Understanding Regarding Sonoma Marin Saving Water Partnership and authorize the Mayor to sign the agreement.</p>
