Title: PUBLIC HEARING - ADOPTION OF REVISED ANIMAL SERVICES FEES

BACKGROUND: Sonoma County Animal Services (Animal Services/SCAS) provides sheltering and field services to areas within their jurisdiction, including unincorporated areas of the County, the City of Santa Rosa, and the Town of Windsor. Animal Services is also responsible for rabies control for the entire County. The SCAS service area is comprised of approximately 1,575 square miles with nearly 500,000 residents and includes an animal shelter that serves nearly 3,300 animals annually. DHS is proposing fee revisions for animal impounds, vaccinations, licenses, and boarding fees.

The proposed SCAS fees recover increased costs associated with services delivery, including costs charged to the Department by general government and those associated with salary and benefits. Revised fees are requested to recover, to the extent possible and advisable, a three percent cost of living increase since Animal Services fees were last revised effective July 1, 2017.

The SCAS is proposing 2.47 to 7.69 percent increases to the Animal Services fees. Percentage increases are as close as possible to three percent, while focusing on Animal Services objectives and customer service priorities.

RECOMMENDATION: It is recommended by the City Manager's Office and Sonoma County Animal Services that the Council, by resolution, approve and adopt revised animal services fees.
