Title: CONCEPT DESIGN REVIEW - 532 ASTON WAY - 532, 538, 544 ASTON WAY - FILE NO. DR17-022
BACKGROUND: The project proposes construction of a multi-family residential development containing 28 dwelling units that would be located in two new buildings. One building would measure two to three stories in height and the second building would measure three stories in height. 57 total parking spaces will be provided in the development with a combination of covered and surface parking spaces. Landscaping improvements are proposed throughout the site and along the project's street frontages.
