Title: CONTINUED ITEM - LANDMARK ALTERATION - CRIPPEN ACCESSORY STRUCTURE
GARAGE/WORKSHOP & ADU
619 POLK STREET - FILE NO. LMA18-026
Minor Landmark Alteration Permit application for a proposed detached 2-story accessory structure featuring a ground floor single-car garage and workshop area with 2nd floor Accessory Dwelling Unit in West End Preservation District. The single-car garage would provide required reserved, on-site, covered parking for the existing single-family residence. The site plan proposes encroachment into the required 15-foot rear yard setback. Zoning Code Section 20-28.040(E) allows reduced setbacks subject to review authority approval.
