Туре:	BPU- Report			Status:	Agenda Ready			
File created:	6/3/2020			In control:	Board of Public Utilities			
On agenda:	6/18/2020			Final action:				
	 REPORT - PROFESSIONAL SERVICES AGREEMENT APPROVAL FOR DESIGN SERVICES FOR BACKUP GENERATORS AT WATER AND WASTEWATER FACILITIES BACKGROUND: This project would replace emergency generators and related equipment at eighteen critical water and wastewater facilities. These are dual-fuel generators determined to be problematic following the 2017 wildfire and diesel generators that have exceeded their service life. The City has received Hazard Mitigation Program funds from FEMA to reimburse 75% of design, construction management, and construction costs for these replacements. RECOMMENDATION: It is recommended by the Transportation and Public Works Department, the Water Department, and the Contract Review Subcommittee that the Board, by motion, approve the Professional Services Agreement (PSA) with Brelje & Race Consulting Engineers, of Santa Rosa, CA, for design services for Backup Generators at Water and Wastewater Facilities in the amount not to exceed \$485,500.00. 							
	following the 2 received Haza management, RECOMMEND Water Departn Professional S for design serv	017 wildfire rd Mitigatior and constru DATION: It is nent, and th ervices Agr vices for Bac	and n Pro oction s rec e Co eeme	diesel generato ogram funds from a costs for these ommended by t ntract Review S ent (PSA) with E	ors that have exceeded their service life.
