Title: COUNTY OF SONOMA STRATEGIC PLAN

The County of Sonoma is in the process of developing a Five-Year Strategic Plan that will inform policies and projects that are prioritized over the next five years. The Board of Supervisors has identified five Strategic Pillars: Healthy and Safe Communities, Organizational Excellence, Racial Equity and Social Justice, Climate Action and Resiliency, and Resilient Infrastructure. County staff have completed an extensive employee and community engagement process to help refine the goals and objectives, and will be bringing the draft plan to the Board of Supervisors for review on January 26th. In this study session, County staff will provide an overview of the Strategic Plan process and components.
