Legislation Details

File #:	21-005BR	**Version:** 1	**Name:**	UWMP Proposed Water Shortage Charges	
Type:	BR- Agenda Item		**Status:**	Agenda Ready	
File created:	1/13/2021		**In control:**	Budget Review Subcommittee	
On agenda:	1/19/2021		**Final action:**		
Title:	URBAN WATER SHORTAGE CONTINGENCY PLAN - PROPOSED WATER SHORTAGE CHARGES RECOMMENDATION As required by the Urban Water Management Planning Act, Santa Rosa Water Staff and consultants, The Reed Group, Inc. and Hildebrand Consulting, have developed Water Shortage Charges to be incorporated in the Urban Water Management Plan (UWMP). Staff and consultants will provide a review of the Water Shortage Charges previously presented to the Subcommittee on December 15, 2020, for the Subcommittee's review and recommendation to the Board of Public Utilities. The Water Shortage Charges will be considered by the Board of Public Utilities prior to going to the Santa Rosa City Council for consideration in Spring 2021.
