Title: REPORT - EXTENSION OF COVID-19 RELATED TEMPORARY PARKING USER FEE REDUCTIONS THROUGH JUNE 30, 2022

BACKGROUND: Certain business operations have been required to reduce indoor operations since March 2020 due to COVID restrictions and have experienced revenue losses and staffing reductions. To assist the business community, an extension of certain temporary parking user fee reductions and a waiver of parking reservation fees associated with outdoor seating areas is proposed.

RECOMMENDATION: It is recommended by the Finance Department that the Council, by resolution, authorize an extension through June 30, 2022 of: 1) the first hour free at the 3rd Street, 5th Street and D Street garages (first hour is already free at the 1st and 7th Street garages); 2) free parking at all five garages, Monday- Friday from 5PM to 6AM (Parking is already free from 1AM to 6AM); 3) free parking at all five garages on Saturday and Sunday (the D Street and 5th Street garages already have free parking on Sunday); 4) one free metered parking session using the Passport mobile payment application, up to \$3.15 in value, to a maximum of \$31,500.00 since inception on July 1, 2020; and 5) a waiver of meter reservation fees for temporary parklets, outdoor seating and retail to expand business footprint to meet physical distancing requirements related to COVID-19 health order.
