Title:	LABORATORY UPDATE 2022				
	Staff will provide an update on the Laguna Environmental Laboratory, which is part of Santa Rosa Water's Subregional system, and the work the laboratory staff has been doing to overhaul the technical program and update instruments and aging equipment in preparation for impending regulatory changes to the California State Water Board's Environmental Laboratory Accreditation Program (ELAP) and implementation of the 2016 TNI standard. The Board may discuss this item and provide direction to staff.
