Title:	UPDATE ON RUSSIAN RIVER WATER FORUM AND POTTER VALLEY PROJECT				

Staff will provide an update on the Russian River Water Forum, which is a grant funded collaborative effort to identify water supply resiliency solutions in response to the planned license surrender and decommissioning of Pacific Gas and Electric (PG&E's) Potter Valley Hydroelectric Project, as well as the recent proposal to PG&E from the Mendocino County Inland Water and Power Commission, the Round Valley Indian Tribes, and the Sonoma County Water Agency, to create a regional entity that would advance a regional solution for preserving flows in the Russian River and improving Eel River fisheries. The Board may discuss this item and give direction to staff.
