Title:	WATER PROFESSIONALS' APPRECIATION WEEK 2023				
	Staff will share this year's plan for celebrating California's Water Professionals Appreciation Week: October 7-15, 2023. The mostly digital outreach campaign utilizes video and engaging imagery to educate residents about the 278 water professionals that work around-the-clock to provide water and sewer service, water recycling and reuse, watershed protection, and storm water management for Santa Rosa. The Board may discuss this item and give direction to staff.
