As God is merciful, so you also be merciful. As he loves and cares for all His creatures and His children and are related to Him, because He is their Father, so you also love all His creatures as your brethren. Let their joys be your joys, and their sorrows yours. Love them and with every power which God gives you, work for their welfare and benefit, because they are the children of your God, because they are your brothers and sisters.

Rabbi Samsan Rafael Hirsch. Horeh Chanter 72 Section 482.

erily I say unto you, they who partake of benefits which are gotten by wronging one of God's creatures, cannot be righteous: nor can they understand holy things, or teach the mysteries of the kingdom, whose hands are stained with blood or whose mouths are defiled with flesh...Wherefore I say unto all who asire to be my disciples, keep your hands from bloodshed and let no flesh meat enter your mouths.

Zoe Rosenberg & DXE Direct Action Everywhere are in fact deviously diabolical CRIMINALS... Look!

Former Santa Rosa Junior College police officer Jeffrey Holzworth stole more than just money when he pocketed \$286,000 in campus parking meter funds. The 28-year law enforcement veteran betrayed the public trust while damaging the image of others who wear the uniform as the scandal unfolded over the past 18 months.

At Holzworth's sentencing Thursday, in which he received four years in prison, campus police Chief Matt McCaffrey said Holzworth hurt not only the school, but he disgraced the department, subjecting fellow officers to ridicule and unfounded suspicion. "Jeff Holzworth did not just commit a crime. He committed a crime, on duty, in uniform and exploited the trust that had been given to him for his own personal gain," the chief said. "The damage he has done to the community far exceeds the cash he stole.....

Meanwhile Rosenberg a UC Berkeley Radical will be sentenced to 5 years in prison for RESCUING...oops.. I mean stealing 4 downed hens (about \$20 worth)....

To Fully comprehend WHY the DA needs to put Zoe away to the Chowchilla Womens' Prison is to UNDERSTAND that Patriarchel Vampirism can never allow the Goddess, the Feminine Power of the Christos Sophia to be ACKNOWLEDGED by all the True Hearted currently immersed in the mainstream patriarchal religions led by DECEIVERS undermining Believers .

The US Constitution emanating initially from the Matriarchel Iroquois...The Greatest undermining of Americans seeking the Promise Freedom, Liberty & Justice be the evacuating of the Original 13th Amendment which in fact has rendered the US Constitution almost worthless and only BAR lawyers will argue otherwise & here's why....the BAR British Attorney Registry confers upon their Lying Lawyers the Nobility title of ESQUIRE....The Esquires

rule the House & Senate and most political positions in this nation
AGAINST the TRUE INTENT clarified...*No Title of Nobility shall be granted by the United States: And no Person holding any Office of Profit or Trust under them, shall, without the Consent of the Congress, accept of any present, Emolument, Office, or Title, of any kind whatever, from any King, Prince, or foreign State..... therefore there are no republicans or demos in DC but rather BAR Lying Lawyers serving warmongering Usurist bankers... STRIKE!!!!..... (bankers & lying lawyers crushing Goddess Wisdom)*

**So what's the Big Threat Zoe Rosenberg seeks to reveal ?
That Swedenborg states that when man began ingesting the

Zoe Rosenberg RESCUES Distressed Female Poultry

FACTS for JURORS and Supporters against Torture & Violence

FACT : Sonoma County Courts have ACTIVELY Protected Organized Child CIA Programs which always include sexual abuse of children....one example of many when they released Dr Maurice Wolin in 2008 after the 2006 DATELINE Predator Sting where 29 men showed up to have sex w a 13 yr old girl. Wolin's buddy Jeffrey Epstein CIA FINDERS Ops continues as all BAY AREA ESCORT SERVICES (thousands of women & girls & boys) are run under Epstein's CIA FINDERS to this very moment. LAW ENFORCEMENT is constrained as noted by Detective James Rothsteins "HUMAN COMPROMISE" Investigations & Legislation. The Courts & Judges are complicit & paid large sums to maintain this abuse ONGOING.... So you think they care about innocent abused animals ?

The Patriarchy of Insanity ruling our Religious, Politikal, Educational and Court Systems continues. Of all the animals abused then slaughterhouse murdered 90% are female..... this insanity be the greatest CORE of All Ongoing WAR.

I am Peter Alexander Tscherneff, both myself & former FBI LA Chief Ted Gunderson provided the Judge & DA in Wolin case sufficient evidence to put this murderous Genocidal Vaccine Blood Impact Board member of Chiron Pharma in Emeryville that has 16 patents on COVID 3 years before any of you ever heard of Covid which is a Military Slow kill inoculant FACT.....

**BOARD OF SUPERVISORS
COUNTY OF SONOMA**

I, Peter, attended Shavout at B'nai Jewish Temple and responded to the posed query "Can we eat meat on Shavout"? After several answers I stated that the New Testament (Acts 10:10) conceals what the Old testament reveals (Genesis 1:29) and furthermore is supported by perhaps the currently most well known Rabbi on this world Rabbi Gabriel Cousens of Petaluma currently residing in Israel who as an ESSENE (as was Jesus & Disciples) lives as a VEGAN according to the INSTRUCTION & Clarification of Christ both now & then when he stated "Anyone w flesh or blood on their mouth CANNOT comprehend the Kingdom of Heaven nor have they the AUTHORITY to teach such".... The 4 Rabbis and 70 congregants turned COLD Shoulder towards Me as I was repeatedly insulted and told to F##K Off by one of their senior women. The blind are so sure of themselves here in the Land of Promise w Luther Burbank and the PEANUTS GANG portrayed by Charles Schulz as VEGANS all 55 years.

It should be noted that the Commercial Venue Chickens are anything but Organic as the main component of their "Chinese Meatfiller" pellets contains Chinese cadavers w all their vaccines so too Chinese & American Euthanized Pets by the tens of thousands. And lastly let us consider the hypocrisy demonstrated by the Mormon owners of this disgusting murderous ongoing Holocaust against the feminine as they deny Spiritual Law and Indigenous Prophecy in favor of profiting by poisoning the Public while terrorizing life loving Sentient FEMALE birds... Truly murderously UNACCEPTABLE !
