

CITY OF SANTA ROSA NOTICE OF PUBLIC HEARING

ANNUAL STORM WATER AND DRAINAGE CHARGES PLACEMENT ON THE SONOMA COUNTY PROPERTY TAX ROLL FOR COLLECTION BY THE SONOMA COUNTY AUDITOR-CONTROLLER-TREASURER-TAX COLLECTOR AT THE SAME TIME AND IN THE SAME MANNER AS SONOMA COUNTY PROPERTY TAXES ARE COLLECTED

Notice is hereby given that a public hearing will be conducted by the City Council on Tuesday, August 18, 2026, at or after 5:00 p.m. The purpose of the public hearing will be to receive public comment and recommendations prior to the City Council acting on placement of the annual Storm Water and Drainage charges on the Sonoma County Property Tax Roll for collection by the Sonoma County Auditor-Controller-Treasurer-Tax Collector at the same time and with the collection of County property taxes.

A report has been prepared and filed with the City Clerk which shows the amount of the above-referenced charge on each parcel of property within the Santa Rosa City limits, for the fiscal year 2026-2027. The report includes the identification, by property owner's name and by Sonoma County Assessor's parcel number, of each privately-owned parcel of property in the City receiving storm water and drainage services from the City Storm Water Enterprise and Utility. Please visit the Storm Water Assessment website at srcity.org/2909/Storm-Water-Assessment to access the electronic version of the Report. A hard copy of the report is available for review by property owners and other members of the public in the City Clerk's Office, Room 10, City Hall, 100 Santa Rosa Avenue, Monday through Thursday, 8:00 a.m. to 5:00 p.m. and every other Friday from 8:00 a.m. to 1:00 p.m.

The City of Santa Rosa is required under the Federal Clean Water Act to obtain and comply with a National Pollutant Discharge Elimination System (NPDES) and Waste Discharge Requirements for Discharges from the Municipal Separate Storm Sewer Systems Permit (Storm Water Permit) from the North Coast Regional Water Quality Control Board, acting for the U.S. Environmental Protection Agency. The Storm Water and Drainage Enterprise charges are levied to fund activities to improve storm water quality as required by the Storm Water Permit.

The City proposes to collect the charges on the Sonoma County Property Tax Roll to simplify the payment process for property owners and to reduce collection expenses. To do so, a public hearing on the proposal is required. The only subject for determination at the public hearing is whether to place the charges on the Sonoma County Property Tax Roll. Meeting access information (including instructions) and meeting documents are available online at: <https://santa-rosa.legistar.com/Calendar>.

Members of the public can provide public comment by attending in person from Council Chamber at 100 Santa Rosa Avenue, Santa Rosa, or via Zoom at the time the public hearing is opened.
